

We have a wonderful relationship with Parklands Hotel & Country Club. As a result we offer a package that incorporates our entertainment with their hall and catering. With this both Parklands and Kidnetick pre-set and tidy up the room as well as help serve party food and even cut up the birthday cake. **(NOTE: Kidnetick does not offer this service out with Parklands).**

Sandringham Suite

Playroom

Pricing and payment structure:

Sandringham Suite (for parties with 20 children or more): £100

If you cannot pay via this method, please contact us directly.

ANSWERS TO FREQUENTLY ASKED QUESTIONS

Additional information: Tablecloths and balloons are provided to decorate the table as well as disposable plates, cups and napkins.

If you wish those essentials to be character/theme related you would unfortunately have to provide them as well as any birthday banners. That said; simply drop your decorations into Parklands reception the day before the party and we will have them set up for you on arrival. Just liaise with us to organise this.

Remember – we provide prizes for games, so no need to think about that.

The only aspects you would have to deal with are the birthday cake and party bags.

On the day you are welcome to arrive as early as you like – however 15 minutes before the party is all that is required. If you require anything further, do not hesitate to call or drop us an email
